## Instant Relief for Sore Feet

Sore Feet, Tender Feet and Swollen Feet Cured Every Time-TIZ Makes Sore Feet Well, No Matter What Ails Them.

Policemen all over the world use TIZ, and know what sore, tender, sweaty, swollen feet really mean. They use TIZ because TIZ cures their feet right Electric Light and Power company about Read what this policeman has to say: how to thank you enough for it. It's menced here. superior to powders or plasters. I can keep my feet in perfect condition. Believe in my earnest gratitude for TIZ. I am a policeman and keep on my feet all day."-Emzy Harrell, Austin, Texas. You never tried anything like TIZ before for your feet. It is different from anything ever before sold.

TIZ is not a powder. Powders and other foot remedies elog up the pores. TIZ draws out all poisonous exudations which bring on soreness of the feet, and is the only remedy that does. TIZ cleans out every pore and glorifies the feet-your feet.

You'll never limp again or draw up

your face in pain, and you'll forget about your corns, bunions and callouses. You'll feel like a new persons. TIZ is for sale at all druggists' at 25c bunions and callouses.

#### AMUSEMENT NOTES.

At the Opera House To-night-A Thrilling Adventure.

"I wouldn't take that trip for all the money in the world," remarked a specaviation meet just after the latter had

"But I assure you," said the aviator, "the sensation of flight is so unique and inspires such an exhibitanting thrill that from the moment you glide from the earth the experience is worth a fortune. Then, too, there is the physical enjoy ment and delight of soaring through space with the freedom of a bird, which

compensates any danger."
"Danger: that's it," said the timid spectator. "Look at the death tool claimer by the conquerors of the air. Consider ing the imminent risk of life and limb, I should say your emotions of triumph

and rapture are dearly bought." "Well, of course, dangers lurk in the winds, just as on the waves, and to spite of all skill, care and foresight in construction and aviation, neither man nor mecahnism is infallible," continued the aviator, "If the propellers don't break, or if the motors don't stall, the vent a strange and fearful accident winds of heaven may bring disaster or wrong lever, which would cause the same. So those who cannot master their fear should not venture to fly, but know a substitute that affords practical ly all the rapture and thrill of the actual fight and yet is eminently safe, for it

was made via an opera chair.' Then the aviator described Lyman H. Howe's scenes photographed from a dirigible balloon during its flight over scenic Switzerland, which will be presented at

the Barre opera house to-night. The scenes take the audience on a dir gible balloon as though on a huge al space. As it ascends and descends, th udience experiences a sensation that de fles imagination or description. With ease and grace it soars high above moun tains, valleys, rivers, forests, cities and

fields that lie far below. This speeding panorama makes all seem like a huge animated map—a dream-like map. This, however, con-William Allen White is contributing stitutes but one of many pleasures is store for those who travel via the Howe route over land and sea, and now even

"The Climax," Friday, Jan. 27. Every person in the audiences that attend "The Climax" should understand the perplexity which confronts Adelina, the central character of the piece, when called upon to choose between a career as an opera singer or the quiet domestic life which would be hers as the wife of either of her two suitors. To wave between love and ambition is no unusual problem encountered in everyday life, so that when it is presented on the stage it sends forth a story which is bound to opera house Friday evening, Jan. 27.
